## WORK EXPERIENCE

### Software Engineer (Intern)

**Solutya Pvt. Ltd.** ↗

07/23 - 12/23

Dhaka, Bangladesh

*Achievements,*

- **Pioneered Innovative Solutions:** As an intermediate software engineer, I played a pivotal role in developing and implementing cutting-edge solutions that significantly improved system efficiency and user experience.

- **Collaborated for Scalable Growth:** I spearheaded cross-functional collaboration to architect and deploy scalable software applications, contributing to a rapid expansion of the company's product portfolio.

- **Championed Agile Development:** By embracing Agile methodologies, I accelerated project deliveries, fostered a culture of continuous improvement, and empowered teams to achieve remarkable milestones in software development.
