WORK EXPERIENCE

Software Engineer

Solutya Pvt. Ltd. [↗](#)

07/23 - 12/23

Dhaka, Bangladesh

Achievements,

- **Project Leadership and Launch Success:** I spearheaded the development and successful launch of a cutting-edge MERN stack-based application.

- **Optimizing Development Processes:** I took proactive steps to enhance our development processes, focusing on refining our codebase and improving overall efficiency.

- **Technical Problem-Solving and Performance Enhancement:** Throughout my tenure, I thrived on identifying and resolving intricate technical challenges within the MERN stack.
